US 41 Project lane closures for June 24 – June 28

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for June 24 – June 28 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

Winnebago County

US 41

Drivers will encounter 11-foot travel lanes, reduced shoulders, and a reduced speed limit to 55 mph from US 45 to Witzel Avenue.

Brown County

US 41

Drivers should anticipate various, overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include shutdowns by local authorities for accidents or natural disasters.

In addition, drivers can anticipate the following ramp closure:

- **Wednesday, June 26** - Northbound US 41 on-ramp from Scheuring Road will be closed from 9 p.m. to 5 a.m.

WIS 29

Drivers can expect single lane closures on eastbound WIS 29 between Packerland Drive and US 41 on Monday, June 24 from 6 p.m. to 6 a.m. In addition, there will be single lane closures on westbound WIS 29 between Taylor Street and US 41 on Thursday, June 27 from 10 a.m. to 2 p.m.

WIS 29 Tub girders

Over the next few weeks, steel tub girders will be lift and set to construct the WIS 29/US 41 interchange flyover ramps. Drivers can expect various full overnight closures of US 41, WIS 29 and/or nearby ramps during these lifts. WisDOT will send a road closure alert and suggested detour to media, www.US41Wisconsin.gov, and social media a day prior to the expected girder lift. Tub girder lifts are weather dependent and subject to change. If you have any questions regarding the steel tub girder lifts, please contact US 41 Communication Manager Mark Kantola at 920-492-4153 or email at mark.kantola@dot.wi.gov.

I-43/Leo Frigo Bridge

Brown County - Southbound I-43 at the Leo Frigo Memorial Bridge is reduced to a single lane of traffic with speeds reduced to 55 mph over a 3.5-mile segment of the highway through July 2013. The southbound I-43 on-ramp from Atkinson Drive and the northbound I-43 on-ramp from Webster Avenue are closed until late July. Expect significant travel delays. The Military Avenue Bridge over I-43 is closed and expected to be open early July. Atkinson Drive over I-43 is an optional route for drivers who use Military Avenue.

All lane restrictions and work operations are weather dependent and subject to change.
